

3 Hours that could change your life!!!!

GEMS NI is bringing you the chance to develop your skills and understand what's required for successful job seeking.

You will develop worthwhile skills in **Job Search, CV Development and Application Filling**, which will help you improve your chance of finding **THAT** job.

- **No computer skills needed** (you may develop these on the course)
- **No qualifications required**
- **Training will be available to suit you and delivered in your community**
- **Open to everyone of job seeking age and you do not need to be a benefit claimant**

If you are interested please contact
Jackie McGeown @ GEMS NI
