As part of the programme of activities, Michael Hart (Belfast Print Workshops) has led two very successful printmaking sessions with members of the Club. The resulting exhibition will remain on show at Common Grounds throughout June. All proceeds from sales go to the Club so that we can continue to offer a warm welcome to all.

Belfast Friendship Club runs a drop-in at Common Grounds Café on Thursdays every week from 7-9 pm. All are welcome, whether you are new to Belfast or would simply like to meet some new people and join in a friendly conversation. People come along to share their experiences from many different backgrounds and walks of life. It's a good place to practice English - although conversations often happen in other languages too!
