# Get Started with Film & Animation– Mobile Cities - July 2010

**Ever dreamed of having the opportunity to gain some experience in developing your technology skills in motion graphics?**

Get Started with Film & Animation in partnership with Digital Arts Studios and the Prince's Trust gives young people the chance to develop their digital media skills.

## How does it work?

We will provide the young people with:

- 5 days training including video editing, sound production & film making
- Support and guidance for 3 months after the course to overcome barriers and explore their options

## How does it help?

The young person has the chance to:

- Increase self confidence
- Work in a team
- Develop communication skills

## Who is eligible?

Young people aged 16 to 25 who:

- Are in or leaving care
- Unemployed
- Educational underachievers (less than 5 GCSE's)
- Young offenders/ex offenders

## When is it?

The next course starts on July 26th and runs to July 30<sup>th</sup> 2010. A taster morning will be held on July 23<sup>rd</sup> for those interested.
